

KEVIN TOWNER

Product Designer

Experience

Account Analyst | AIG, Op Services 2019 - current

- Design and implement strategies for streamlining multiple policy transactions - renewals, issuance, and workers' comp
- Work with product and IT teams on developing systems of correspondence with third-party brokers
- Manage inbox and information loads of +2500 emails per month - containing cancellations, renewals, and other transactions

Usability Analyst | Historic Wyoming 2022, volunteer

- Conduct usability and competitive analyses on Historic Wyoming's website, and evaluate site heuristics
- Allowed the organization to promote more preservation projects and saved Historic Wyoming \$5,665 in roughly 2 weeks

Business Services | AIG, Surplus Lines 2017 - 2019

- Processed quote requests and researched broker codes for appropriate underwriting assignments - underwriting for all zones
- Ran e-screens on potential insureds to verify the legitimacy of applications - analyzing applications and researched entities

Visual Manager | Hollister Co. 2014 - 2017

- Managed all seasonal floorsets, visual merchandising efforts, and in-store marketing placements
- Tracked KPIs, budget hours, and scheduling - made sales, merchandising, layout, and stockroom decisions
